

UNIVERSITY PROFILE

**UNIVERSITY
OF TOLOSA**

ABOUT THE UNIVERSITY

University of Tolosa is a private university in Mexico. The University of Tolosa began its active work in 2001. It is one of the leading educational institutions in Mexico, ranked in the top 10 best universities in the national ranking.

We maintain our Quality Education systems. We have received the International Standard Organization (ISO) Certification.

Universidad of Tolosa is a multi-campus university system of national and international representatives. The coverage of Universidad Tolosa's International Liaison extends to various regions worldwide.

Using learning networks and advanced information technologies, the University offers graduate academic programs; continuing education programs.

As a dynamic university, we strive to offer, through effective teaching, quality education founded on the idea that one's intellectual and personal development go hand in hand, complementing and fulfilling each other.

Inter-University Programs also aim at preparing students for informed service and progressive leadership in their communities and to fulfilling the immediate and final goals of their lives.

University of Tolosa is an Institution of Higher Education, Humanist, Christian, and inspired by the Life of Saint Jean-Baptiste de La Salle, whose mission is the integral and Self-realization of human being, educating people with values and a the highest academic level, capable to promote a positive environment of which they belong.

University of Tolosa must be a decisive factor in the economic, political, social and cultural development of Mexico, and the world, through its educational services, in its different modalities, seeking the excellence of its Alumni, to produce significant impacts in scientific and technological knowledge, understanding their social environment and capable to protect the truth, maintaining the highest Spirit of Self-improvement.
